

Congratulations on successfully completing the computer-based version of National Safety Council's Defensive Driving Course, DDC-PC. Many states offer automobile insurance discounts to individuals who have completed a recognized defensive driving program. In addition to learning techniques that you can apply to real conditions encountered on the road every day, DDC-Online graduates may also benefit by reducing their automotive insurance costs. Check with your local insurance agent to see if you qualify for a discount.

If you would like to obtain an official DDC-Online Certificate of Completion issued by the National Safety Council, please send a check for \$5.00 made payable to "Professional Development Associates", along with a copy of your course completion document from AgLearn and this form with your mailing information to:
